LaCie FireWire Speakers

OUTSTANDING AUDIO QUALITY

The LaCie FireWire Speakers provide excellent, room-filling, digital audio for your laptop or desktop computer. With a frequency response of 90Hz-20kHz, they deliver powerful, vibrant sound. These high-quality, portable speakers will enhance your MP3s, CDs, DVD movies and games.

SUPERIOR FIREWIRE CONNECTION

Quickly connect the LaCie FireWire Speakers to your laptop or desktop computer with a single FireWire cable. FireWire provides a superior digital audio stream as well as line power – no need for an AC adapter or batteries.

CONVENIENCE AND STYLE

Internationally acclaimed designer Neil Poulton crafted these eye-catching FireWire Speakers exclusively for LaCie. Their compact design combines usability and singular style. The thoughtful internal cable storage ensures that the clean lines of the LaCie FireWire Speakers will look stunning on any desk.

PORTABLE AND ADAPTABLE

Simply plug into your PC or Mac for fabulous audio fidelity on the go. The LaCie FireWire Speakers can even be used with your MP3 player when connected to it (additional adapter required, sold separately).

Gives a whole new meaning to plug and play.
